AGI COURSE PACKAGE GUIDE

PROVIDING YOU A WORLD OF OPPORTUNITIES

AUSTRALIAN GLOBAL INSTITUTE | RTO 31690 | CRICOS CODE 03784E

WELCOME TO AUSTRALIAN GLOBAL INSTITUTE

The Australian Global Institute (AGI) team is proud to welcome you on board. We trust that you will find the time we share challenging, rewarding and fun. Our aim is to equip you with the knowledge, skills, and confidence you need to kick-start your career by entering the workforce or upskilling, re-enter the workforce or create the pathway for further studies. To learn more about our vision, mission, values, and goals please go to our about us page on the web site.

We strive to provide you with a first-class experience that is based on up-to-date practices and skills used in the workplace and community. We will provide you with an experienced industry qualified trainer and the resources to guide you to achieve your national qualification. During your time with us you will be exposed to a variety of experiences and challenges. The course will provide a mix of theory and practical skills training. We will also offer you an opportunity to build your confidence and motivation with a view to prepare you for a competitive market.

Upon enrolling, you have rights and responsibilities, most of which are outlined in this handbook. You are welcome to ask us for further information if you have questions, which are not covered in this handbook.

The quality of your experience at the Australian Global Institute (herein referred to as AGI) depends largely upon your motivation and commitment. We feel that we have in place an ideal learning environment. Meet the challenge and we will do our very best to ensure that the benefit to you will exceed your expectations. Please note, due to the nature of the courses we offer, we cannot accept any application from persons under 18 years of age.

All the best in your training endeavours!

STUDY PACKAGE OPTION

So, you know you love working with people, love the outdoor adventure and would love to teach this passion to others in a place that's got fantastic diving and lifestyle! Great, that means our Outdoor Leadership programs are designed for you and we are providing more opportunity and value by packaging these programs, so you get better education with further qualifications, more great diving while becoming a PADI professional and to top it off fantastic value, how's that sound! So, here's your options:

Certificate III and Certificate IV Combination "Pro Package"

(must be read in conjunction with course guides)

SIS30619 Certificate III in Outdoor Leadership starts your adventure with 22 units of study over 46 weeks in which you will develop impressive knowledge and exciting skills (4 terms of 10 weeks including breaks) and includes PADI dive course from beginner to Dive Master with plenty of diving along the way, approximately 60 dives*

PLUS

The SIS40621 Certificate IV Package makes extraordinary happen by reducing the 27 units in the Cert IV to approximately 10 units** by credit from the Cert III, saving you time and money! Your Cert IV builds on your now comprehensive dive knowledge and experiences by providing around 40 dives* (100 dives required for IDC) while working in dive operations and assisting with students and converts these experiences into abilities to teach other dive enthusiast to share our underwater passions. Your Cert IV includes the PADI Instructor Development Course (IDC) and IDC materials. When you complete your IDC you have the option of attending a PADI Instructor Evaluation (IE). The PADI Instructor Evaluation and PADI Membership fees are excluded as these are paid direct to PADI.

OUTCOME

You are ready to share the passion and teach the world to dive!

*No. of dives may vary to student previous experience, course attendance, diving operations, weather conditions and other variables.

** No of units may vary to students previous experience, supporting documentation, academic requirements and other variables.
