ABOUT YOUR PROGRAM

Duration, delivery and entry requirements

Packed full of adventure, self-development and fun with friends. You will gain exciting skills and knowledge to be confident, happy and safe while performing essential skills to dive safely.

**THIS IS
THE BEST
RECREATION AND
DIVING PROGRAM
IN CAIRNS!**

STEP 1 Knowledge development for Qualification (11 units, go to AGI website) and PADI dive course through a blended face to face and online learning at school or training room, each week for a term or full days in intensive holiday program. Normal duration is 3-6 months however this may vary, PADI dive certification is separate or clustered course-work with the cost covered by the qualification.

STEP 2 Practical development in pool where you learn and become very confident with skills for the units and PADI dive course.

STEP 3 Put all the knowledge and skills together in 2 days of SCUBA and Snorkel adventures on Barrier Reef.

THE BEST BECAUSE..

We give you the best learning experience combining the Certificate in Recreation with the PADI Openwater dive License,

✓ **MORE KNOWLEDGE**

✓ **MORE EXPERIENCE**

✓ **MORE FUN**

Fast and comfortable day trips take you to REEF MAGIC Pontoon located on the Outer Great Barrier Reef.

So, you not only get the best program, also the best possible place to learn to dive on the reef. Arriving at the newest and most advanced pontoon built for a sustainable future provides over 1000sm of comfortable space without being on a crowded boat (only our program provides this). So, you're in the best place to learn to dive, you have the best equipment, its as easy as following the steps for easy entry into the underwater world with coral and fish, doesn't get any easier or better!

AGI with **REEF MAGIC** provide you local expertise and unmatched professionalism, sharing our passion of sustainable ecotourism and reef preservation through excellent education, all proudly Australian owned.

There are no entry requirements for this exciting program however you must complete a dive questionnaire and pending responses a dive medical and you will need the ability to swim a set distance and tread water as part of the PADI license. However it is recommended you like adventure, learning about the environment, sharing experiences and fun!
