# ABOUT YOUR PROGRAM

*Duration, delivery and entry requirements*

Packed full adventure, self-development and fun with friends. You will gain exciting skills and knowledge to be confident, happy and safe while performing essential skills to dive safely.

STEP 1

Knowledge development for qualification (11 units) and PADI dive course through a blended face to face and online learning at school or training room, each week for a term or full days in intensive holiday program. Normal duration is 3-6 months however this may vary, PADI dive certification is separate course-work with the cost covered by the qualification.

STEP 2

Practical development in pool where you learn and become very confident with skills for the units and PADI dive course.

STEP 3

Put all the knowledge and skill together in 2 days of SCUBA and snorkel adventures in the ocean surrounded by fish. AGI will provide friendly trainers & learning support and your school ongoing counselling support.

## THE BEST BECAUSE :
